\*The Northern Circuit includes- Arusha, Moshi, Loliondo, Tarangire National Park, Lake Manyara National Park, Serengeti National Park, Ngorongoro Conservation Area, Lake Natron and Lake Eyasi.

None of the above prices include park fees. Please refer to the TANAPA Rules and Regulations for information on fees for various Northern Circuit Parks.

All Self-Drive clients need to have a *valid driving license*, and *valid passport*. Please also have a look at our terms and conditions for self drive.

Please note that our vehicle rentals are per calendar day and not per 24hrs. Due to the conditions of the roads and driving in Tanzania, all vehicles must be checked and maintained before and after a safari. Therefore even if the vehicle was returned early in the morning, we would not be able to rent out the vehicle again on that day.

Fortes’ base is at Sakina on the outskirts of Arusha and all vehicle rentals start and end there. Charges will apply for pick-ups and deliveries to/from short-distance locations, few locations as below but please do contact us if you require information on other pick up locations.
